Dear Delegates

It is a matter of great pride and honour for us to announce the conference on CORTICO-BASAL IMPANTOLOGY to be held between 13th -15th December 2019 at Pinkcity, Jaipur, Rajasthan.

We are going to have Dr. Antonina Ihde who is Prosthodontist and head of International Implant Foundation (IF), Germany. She is pioneer in the developing special Implication of occlusion for Basal Implantology.

This conference is focused on Aesthetics & Prosthetics advancements in Cortico-Basal Implantology. The Scientific secession being organized will enable both beginners as well as experienced practionors to brush up their skills. The oration will be given by Dr Antonia Ihde followed by keynote lectures by various speakers.

On behalf of the entire organizing committee, we invite you all to the Pinkcity to take in illustrious heritage, beautiful handicrafts, fabled forts, old world charm cuisine and every thing else our humble city has to offer. It gives us great honour to be your host for a weekend starred with academics and entertainment.

Dr. Vikas Jeph
President RSDC
Member DCI
Guest of Honour

Dr. D K Gupta
Registrar RSDC
