THE **Corticobasal**<sup>®</sup>  
IMPLANTOLOGY

Dear Delegates,

It gives us immense pleasure in announcing the much awaited and most prestigious event of Corticobasal Implantology, the **6<sup>th</sup> International Conference on Cortico Basal Implantology (ICCI)**, from **22<sup>th</sup> to 24<sup>th</sup> July, 2022** at very beautiful white city **Udaipur**.

As we release this conference call brochure, we pray and hope that this invitation reaches you in a state of good health, safety and happiness.

Adding to the excitement, **Dr. Stefan Ihde**, who is regarded as the father of modern Cortico Basal Implantology, will graced us with his presence at the event.

Theme of the conference is to showcase widened horizon of cortico basal implants for simple single tooth restoration to complex resorbed atrophic jaws restoration and rehabilitation of maxillactomy and mandibulactomy cases after mucormycosis and carcinoma. It has been made very simple by standard set protocols and methods by Dr Ihde which made Cortico Basal Implantology "SAFE SECURE AND SUCCESSFUL".

With the venue located at **ANANTA RESORT, ROYAL WHITE CITY OF RAJASTHAN - UDAIPUR** all the delegates will definitely enjoy the royal stay during the conference. We all know Udaipur is how beautiful and famous for royal architecture, beautiful mountains and lots of lakes.

The Scientific program comprises of an array of 25 seasoned speakers, both national and international, who shall be sharing with all various aspects of their extensive knowledge and experience in the subject.

Encouraging our young budding Implantologists, a separate session for paper and poster presentations is also being conducted for graduate and postgraduate students, and the outstanding three will be awarded. The city of Lakes, Udaipur founded in 1568 is a lovely land around the azure water lakes, hemmed in by the lush hills of the Aravalis. Its kaleidoscope of fairy-tale palaces, lakes, temples, gardens and narrow lanes strewn with stalls, carry the flavour of heroic past, epitomising valour and chivalry. All our delegates along with their families, will be definitely pampered in the lap of luxury, as they learn, relax and connect!

The entire organizing team is committed to making the 6th ICCI a life time memorable event. We are sure the people attending will gain from the attractive scientific sessions, exciting discussions and pave way for their own path towards a successful Corticobasal Implantology Practice.
